Dear Mr. Butler,

I wanted to personally thank the Butler Law Firm on behalf of Evidence Action for the extremely generous contribution of \$50,000 sent on December 24, 2019 for our Deworm the World Initiative. Your renewed support of Evidence Action helps to strengthen and grow our important work, contributing to our mission of scaling evidence-based and cost-effective programs to reduce the burden of poverty for hundreds of millions of people in the poorest places.

Year after year, the Deworm the World Initiative continues its excellent cost-effectiveness and evidence of impact. Your donation helps support treatment of over 260 million children annually across India, Kenya, Pakistan, and Nigeria at an average cost of less than USD \$0.50 per child per treatment. The result is less worm infection, leading to improvements in health, education, and economic outcomes.

We hope that you will stay informed about the progress of our work in 2020 by visiting www.evidenceaction.org, signing up for our [newsletter](#), or following us on [Twitter](#), [Facebook](#), or [Instagram](#).

Again, many thanks, and on behalf of all of us at Evidence Action, we are deeply grateful for your continued support.

Best regards,
