Mr. Clemons,

We decline your offer.

Ms. Jackson would probably settle the case for zero dollars – it really is not about the money for her. To seriously discuss settling this case, you would have to be willing to make a video statement that:

1. acknowledged all of your sexual misconduct with Lequita Jackson, Lakisha Smith, LaTreyvia Sharpe, Asha Tinsley, and [REDACTED]; and
2. genuinely apologized for that sexual misconduct; and
3. acknowledged that you have seriously harmed many, many women who trusted you as their spiritual leader.

Ms. Jackson would then watch the video. She would then decide, in her sole discretion, whether the video sufficiently met the requirements above. She would have sole control over the distribution of the video. She would be authorized to share the video publicly and with anyone that she chose.

If you are willing to do that, please let me know by noon tomorrow, June 5, 2021. If you are willing to do it, I will discuss the matter with her and see if settlement is possible.
